

# 7 Day Prayer Guide:

## Praying for the Muslim World

### PRAYING FOR MUSLIMS

There are over 2 billion people in the world who claim the Muslim faith. Islam is taught and believed in so many countries, languages, and cultures all over the world. God has a heart to see the Muslim people reject their false religion and turn to Him. Would you pray with us for 7 days for the Muslim world?

#### 1 Belief in Jesus

Most Muslims believe Jesus was a great prophet, but only a prophet. Pray that Muslim people would turn away from false teachings and understand the truth of the Gospel and believe it. Pray they would seek after the Gospel wholeheartedly. **Pray Mark 8:27-29.**

#### 2 Bible Translation Work

23 of the 70 people groups in Afghanistan do not have even Bible portions available in their primary language. Pray for translation efforts among Muslim people groups so every Muslim group can have access to understanding the Bible. **Pray Colossians 4:3.**

#### 3 Revealing in Dreams

About 25% of Muslims' journey to faith begins with a dream. Pray that Jesus would reveal Himself to many Muslims in dreams today to show them that He is the only Way, Truth, and Life. Pray they will meet a believer and begin to seek Jesus. **Pray John 14:6.**

"God moved me to go overseas...by the tragic events that happened in Afghanistan. I was happy to hear that our team was going to serve in a nearby Central Asian country; however, I had no expectation of meeting any Afghans. To my surprise, God blessed me in the first week of our trip with opportunities to meet Muslims from Afghanistan. One of them was a student named Solomon. The events in his home country had made him question his Muslim faith, and he was curious about Christianity. He quickly became one of our closest friends as we shared our faith and our lives with him, though he still held on to his Muslim beliefs. After returning home, I tried to pray for him daily. About one month later, I received a text from our overseas host that Solomon had begun to read the Bible! I was so excited, and I told friends and family to pray for him. About a week later I woke up to the greatest text I've ever received- Solomon had become a brother in Christ! I was so thankful to God..."

## Believers and the Local Church

Pray for Muslim Background Believers (MBB) who continue to live in the Muslim world. Pray for whole families to come to faith together. Pray for churches to be formed. Pray for boldness in sharing the Gospel in the face of persecution. **Pray Acts 5:40-41.**

# 5

## Women of the Muslim World

Pray for women in the Muslim world who are struggling with abuse in the home. Pray that they would come to Jesus and He would be their strength. Pray their husbands will desire to learn about Jesus. **Pray 1 Peter 3:1-7.**

# 6

## Radical Extremists

Islam is known for its radical extremists. God has a history of using people who were radically against Him to further His Kingdom. Pray for Jesus to change them like He did Paul. Pray they would be evangelists to their own peoples. **Pray 1 Timothy 1:15-16.**

## Who Will Go?

Less than 3% of all missionaries work among the Unreached. Pray that God would raise up people to take the gospel to unreached Muslim peoples. Pray they would be committed to go and find creative ways to stay in country. **Pray Romans 10:14-17.**

As a lover of cultures and husband of a foreign wife, Ahmed was excited as we read with him about a future day when people from every tribe, nation, and tongue will come to worship before the Lamb that was slain (Rev. 7:9). Yet he also had questions, "What about those who don't get the opportunity to learn about Jesus?" We nodded, "That's why Jesus said what we read at the end of Matthew. He told his followers to go tell all nations about him." "Yeah, actually," Ahmed leaned back in his chair, "I've been meaning to thank you. If you hadn't been here and been willing to teach me all these things, then I wouldn't have this opportunity to choose Jesus or not." We assured Ahmed it was our joy to be able to share with him about the Savior who loves him and transforms lives.
