

Should I Go this Summer?

Prayer Guide

PRAYING WITH AN OPEN HEART

When you stepped into God's family, your life was transformed radically from what it was. A beautiful part of that transformation is becoming an active participant in God's plan for His world. Will you pray with an open heart about how God would like you to be involved with His plans? He might call you to go, send, or pray.

Praying with an open heart about investing a summer overseas doesn't necessarily mean that God will send you this year, but by telling God you are open to His will, you enter into a journey of faith and trust with God that will take you farther than you ever imagined.

Matt 28:19

We challenge you to spend the next 7 days in prayer for the nations, and in prayer about going overseas this summer!

Each day we'll include prayer points as you decide to apply or not, as well as one lost people group who needs your prayers.

How do you know God is calling you overseas with your summer?

It can be intimidating to feel like you have to uncover the mystery of decision making, but there are some helpful biblical guidelines that you can follow to make decision-making easier.

The key is to know what GOD'S plan is for YOU.

1. Invite others to pray through this with you
2. Seek counsel from spiritual leaders in your life
3. Pray for an open heart

God has given you three summers in college - how does He want you to use them?

Applying is part of the decision making process, but we also encourage you to think and pray through what could get in the way of saying yes if you are accepted on a team.

Read Matthew 28:18-20.

PRAYING FOR THE NATIONS

Did you know that there is a Muslim ethnic group in Russia called the Meskhetian Turks? Out of 70,000 people there are only 3 known believers. That's less than 0.005%! They are referred to as an Unreached People Group, or UPG for short. If you are a college student from this people group, you have almost ZERO chance to hear the gospel. When you go overseas for a summer you may get to be the first link to the gospel someone ever has.

Stop for a minute and pray for the Meskhetian Turks. Pray for them to have access to the good news of Jesus.

Should You Go?

"You should absolutely go! God has someone He's preparing overseas to meet you, and He is preparing you to meet them as well!"

And even if you don't end up being someone who is called to go overseas with your whole life, God used this summer in my life to build skills I will use for my whole life- skills you need to have as a follower of Jesus. We are called to share our lives with other people, and to reach people who are unreached.

If you're contemplating going on a trip and it's really on your heart, I encourage you to go. I think it will be an amazing life changing experience."
